Sky Lantern Making Workshop 22-23

A sky lantern making workshop was organized at College of Education (B. Ed.), Vita. on Tuesday 11<sup>th</sup> October 2022 with the inspiration of the Principal.

**Objectives-**

1. Enhancing work skills.

**Nature-**

Making sky lantern from card sheet paper.

**Proceeding -**

A sky lantern making workshop was organized at College of Education (B. Ed.), Vita. on Tuesday 11<sup>th</sup> October 2022 with the inspiration of the Principal. For this, Asst. Prof. Mrs. Warghat M.D. trained the trainees how to make Akash Kandil.

The measurements and actions required for it were explained step by step and the sky lantern was prepared by the students. It was decided that the sky lantern should be installed in the house at Diwali occasion. The introduction of the program was done by trainee Ms. Priyanka Lavan and Asst. Prof. Mrs. Warghat M.D. Thanks to all for joining workshop.

**Presence-**

35 students from second year and all faculty members.

**Evaluation**

The value of self-reliance was increased in the trainees and the joy of creativity was enjoyed by all the trainees.
