### *The Institutional Strategic Plan and Deployment*

#### 1. Curriculum Development:

The college implements the syllabus prescribed by the NCTE and Shivaji University, Kolhapur. It is effectively communicated to all the stakeholders through publication on website and circulation among faculty and students. The feedback from all stakeholders is obtained for its effective implementation and improvement. In order to develop the skills required for the teaching profession, the Principal and all the faculty members are involved in the curriculum development with a view to creating a good teacher.

#### 2. Admission of Students

The admission process of our college is transparent and open to all, in tune with the policy of inclusive education, ensuring equity and access to all. The admission norms prescribed by the NCTE, Shivaji University, Kolhapur., and the Higher Education Department, State Government are strictly followed. Admissions are given only as per the guidelines of CET cell of State of Maharashtra.

#### 3. Planning and Organization

Every activity of the college is planned and implemented. Each semester implemented with plan under guidance of IQAC and different committees. Every year the academic calendar is prepared and the distribution of works related curricular and co-curricular activities is done as per the time allotted by university. Our daily timetable is prepared for better implementation.

#### 4. Human Resource Management

Strategic approach to the effective and efficient management of faculty and administrative staff in an institute is done by the Principal so that it helps to gain a competitive advantage. It is designed to maximize employee performance in service so that it helps to enhance the quality of education in the institute.

#### 5. Physical Infrastructure

All class rooms are Clean and well equipped. We have all types of facility centers according to the pedagogical subjects. We have ICT room, science lab, sport room arts and craft room and music room Library is enriched with reference books, resources and e-content. Various online and offline database including AIR, and inflibnet etc. are freely
