Report on Annual Planning of Academic, Cultural and Sports Event

**1. Planning and scheduling academic, cultural and sports events in school**

Before starting the school internship, teacher trainees are guided through a program decided by the university. In Semester-III, a school internship of 6 weeks is undertaken. Cultural programs and sports programs are organized for school students during this period. Students, while completing their school internship, participate in cultural events organized during that time. In school physical education, students organize sports-related competitions. While teaching they complete the prescribed studies and complete the assessment by taking exams.

**2. Planning and implementation of community related programs.**

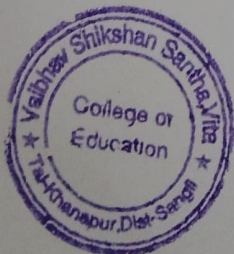

Social service programs are organized at three levels under social services, as per schedule local level, school level and village level programs including Swachh Bharat Abhiyan, plastic free environment, tree plantation, women empowerment related programs. Schools, road safety or related programs are organized. Hence anti-superstition, voter registration and voter awareness or similar programs are organized.

**3. Building teams and helping them participate.**

Our Teacher Training College is committed to developing leadership qualities in students. We encourage them to work hard to demonstrate their qualities. While completing school internships, students are grouped by school. Students complete group work in small groups: Students from their groups for college outdoor sports

**4. Involvement in preparatory arrangement**

Keeping in mind that student participation is important while school internship. An orientation session is organized before the start of School International in which the students are given various responsibilities and are given the necessary preparation before going to the school internship including practice lessons and hands-on experience of other cultural and sports events. Teacher trainees are prepared in such a way that they are prepared to take up their responsibilities in school activities.
